Dear George,

I have reviewed the marks achieved by the 2nd year students this year and I just wanted to take this opportunity to congratulate you on your excellent performance. Your overall mark of 88.5% places you in the top 5% of the students in the 2nd year cohort.

I was pleased to see you continued to perform to a high standard in your second year, following on from your excellent performance in your first year. I see you achieved some great marks in your course units, in particular your marks of 92%, 90% and 91% in COMP26120, COMP24011 and COMP25212 respectively; your mark in COMP25212 being the highest for the course unit. Well done! I look forward to seeing this high level of academic performance continue in your third year.

You should be immensely proud of your achievement.

Best Wishes
